

Embrace the romance of the sea in your bouquet with unusual details that will delight your guests.

✳️ **JORDAN'S TIP:** *"find inspiration in a bouquet blooming with seaside charm ~ inspired by natural coral, exotic fish, sunny beaches, and endless shades of ocean blue".*

OPPOSITE: CREAMY DAHLIAS, CYMBIDIUM ORCHIDS, ZINNIAS, AND LISIANTHUS PEEP FLIRTATIOUSLY FROM A COY CIRCLE OF FERNS. A LUSH RIBBON WRAPPED TENDERLY AROUND THE STEMS ECHOES THE ORGANIC SWEEP OF WAVES AGAINST THE SHORE IN A BOUQUET THAT SEEMS TO BID A FOND BON VOYAGE TO THE PAST – EVEN AS IT WELCOMES THE FUTURE WITH A SMILE, DESIGNED BY HEAVENSCENT FLORAL ART.

THIS PAGE: A VINTAGE POCKET WATCH RESTS AGAINST A CLEAR GLASS VASE FILLED WITH SEASIDE SAND AND TREASURES. THE VASE'S UNIQUE NAUTICAL CONTENTS COMBINE TO APPEAR BOTH RUSTIC AND DELICATE, ECHOING THE SOFT GREEN TONES OF THE OCEAN AND RESULTING IN AN ELEGANT LOOK AS TIMELESS AS THE SWEEPING TIDES.
